## FRIENDS OF THE BETHEL PARK PUBLIC LIBRARY

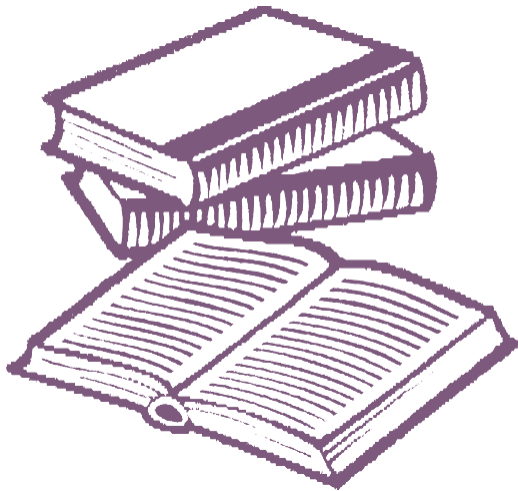

"A library outranks any other one thing a  
community can do to benefit its people.  
It is a never-failing spring in the desert."  
-Andrew Carnegie

# About the Friends

- The Friends of Bethel Park Public Library is a volunteer organization that advocates and promotes the library as a vital community asset.
- Our mission is to raise public and private funds while enhancing and promoting the programs and services of our library.
- We friends seek to encourage volunteerism and provide support to the library in the development, maintenance, and enhancement of the current and future facilities, resources and services for our community!

## How the Friends help our library:

- Provided support for library events including the American Girl Doll Tea Party.
- Donated \$10,000 to the library during September 2023 Love Your Library Month.
- Purchased the chairs, tables and TV for the new Adult Program room, and the Study Room sofa and loveseat.
